

WAQTC MARCH COURSES - INVOICE NO. WAQT052022

NWCEL has decided to change the way Sampler/Tester classes are taught. Instead of sitting through courses, students will receive links to watch videos online. Videos must be watched prior to taking the WAQTC written exams. Upon arrival, students will sign an agreement stating they have watched all the videos pertaining to the course. We hope this would give students the ability to study for the exam at their own pace.

COURSES OFFERED

- In-Place Density and Embankment & Base Technician (IPD/EB)
- Aggregate Technician (AGG)
- Asphalt 2 Technician (ASP)
